

Douglas Heggie

University of Edinburgh,
Scotland

d.c.heggie@ed.ac.uk

- MODEST WG 7 (Validation), e.g. checking gas code against N-body (with S. Deiters)
- Pure stellar dynamics, e.g. exact analytic equilibrium models in a tidal field (with D. Mitchell)
- Models for individual clusters (with M. Giersz)
- Interface between Stellar Dynamics and Stellar Evolution, e.g. McScatter (with S. Portegies Zwart, J. Hurley)
